Angela took the minutes in Danielle's absence.

City of Lyndon sent us a note stating we need to a new meeting place starting in July. They will be closed during construction. There was no date when we could start using the place again. Angela is looking into a place for us to start meeting in July.

Talked about what happened to the stop sign at Ashmoor and Farnham. That happened back in April. All we know, is that it's a truck. The sign and pole has been replaced.

Paul missed two reflective sticks for the speed humps on Claremoor. Paul will collect them after the meeting.

Barbara went over the treasure report. Also, brought up About what to do with the ARS money. We will use for repairing and/or replace signs, look at sidewalks and front neighborhood signs. Motion by Paul and Kevin 2nd.

Paul let us know, that he has cut the entrance once a week. He is waiting for the pollen and helicopters to stop before mulching and trimming bushes. It will be done sometime this month.

Discussed having the front entrance sprayed by Farison Lawn Care. Dwight made a motion and Kevin 2nd it. Angela will call and set that up.

Discussed the front entrance and entering the neighborhood on Farnham signs. Where to put them and what design it use. Dwight made a motion and Kevin 2nd it.

Dwight will us know that end of November will be his last time on the board. We need someone to step up.

Danielle will also be leaving at the end of June. Board discussed Angela stepping in as city clerk. Angela found someone to take her spot starting in July.

Yard sale is on Saturday, June 11, 2022. Motion by Paul and 2nd by Dwight.

We are sending letters out to two residents in violation of Reg. 1010.3 section 1 regarding lawn care.

Meeting adjourned. Time not recorded
